Central Bank

Central Bank is an independent apex monetary authority which regulates banks and provides important financial services like storing of foreign exchange reserves, control of inflation, monetary policy report.

The Reserve Bank of India was founded on 1 April 1935. The Central Board of Directors is the main committee of the Central Bank. The Government of India appoints the directors for a 4-year term. The Board consists of a Governor, and not more than 4 Deputy Governors, 4 Directors to represent the regional boards, 2 from the Ministry of Finance and 10 other directors from various fields. RBI wants to create a post of Chief Operating Officer (COO) and re-allocate work between the five of them (4 Deputy Governor and COO).

Two of the four Deputy Governors are traditionally from RBI ranks and are selected from the Bank's Executive Directors. One is nominated from among the Chairpersons of public sector banks and the other is an economist. An Indian Administrative Service officer can also be appointed as Deputy Governor of RBI and later as the Governor of RBI
