

AGRICULTURAL SCHEMES AND PROGRAMMES

FOR IBPS SO Agricultural Officer

Government schemes are an integral part of the general awareness section. Questions related to various Agricultural Schemes and Programmes are common in the General Awareness section of Bank and Government exams like NABARD, IBPS RRB, SBI PO and Clerk, IBPS PO and Clerk, RBI Grade B and Assistant, SSC Exams, UPSC and more.

Here's a Sample Question:

Question: Consider the following statement about Pradhan Mantri Gram Sinchai Yojana (PMGSY).

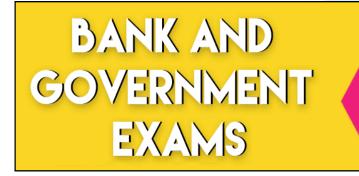

- It is aimed to ensure water supply to farmers round the year.
- The government has approved Rs.50, 000 crore for the implementation of Pradhan Mantri Krishi Sinchai Yojana for 5 years, i.e. up to 2020.
- All the States and Union Territories including North Eastern States are covered under the programme.

Which of the following statement is/are correct?

- 1. Only 1 and 2
- 2. Only 1 and 3
- 3. Only 2 and 3
- 4. All are Correct
- 5. None of them are Correct

Solution: 4

In competitive exams, as little as 1 mark can make a lot of difference. For your assistance, we bring to you a Free eBook on Agricultural Schemes and Programmes. The following pages of the eBook lists down various Agricultural Schemes and Programmes.

Agricultural Schemes & Programmes

Pradhan Mantri Kisan Samman Nidhi	Pradhan Mantri Kisan Samman Nidhi (PM-KISAN) is a central sector scheme that guarantees direct income support of Rs 6,000 for farmers.
Launched: Announced in Budget 2019 and effective retrospectively from December 1, 2018.	 Eligibility - It will be given per year to all landholder farmers 'families in the country except, All Institutional Land holders. Farmer families in which one or more of its members belong to following categories, Former and present holders of constitutional post.
	 b. Former and present - Ministers/ State Ministers, MPs (Lok Sabha & Rajya Sabha), MLAs (SLA & SLC) c. Former and present Mayors of Municipal Corporations, Chairpersons of District Panchayats. d. All serving or retired officers and employees of Central/ State
	 Government Ministries /Offices/Departments and its field units Central or State PSEs and Attached offices /Autonomous Institutions under Government as well as regular employees of the Local Bodies. e. All superannuated/retired pensioners whose monthly pension
	is Rs.10,000/-or more (Excluding Multi-Tasking Staff / Class IV/Group D employees)f. All Persons who paid Income Tax in last assessment year.
	g. Professionals like Doctors, Engineers, Lawyers, Chartered Accountants, and Architects registered with Professional bodies and carrying out profession by undertaking practices.
	 The amount will be given in three instalments of Rs.2000 each. The amount will be transferred directly to the bank account of beneficiaries through Direct Benefit Transfer. DBT will ensure transparency in the entire process and will save time for the farmers. This is to help them most farm input and other costs during
	 This is to help them meet farm input and other costs during the crop season. The programme would be made effective retrospectively from December 1, 2018. The changes in land records after February 1, 2019 shall not be
	 The changes in land records after rebrary 1, 2015 shall not be considered for this scheme. State Government and UT Administration will identify the farmer families which are eligible for support as per scheme guidelines.
	 Other Features - The cash transfer is not linked to the land size and hence it becomes an income supplement to landowning households. It has left the landless tenants out of its scope.

 Yojana It is a central sector pension scheme for small and m farmers who own less than 2 hectares of land. (whi KISAN is for all farmers) Under this Scheme, a minimum fixed pension of Rs.3,(provided to the eligible small and marginal farmer attaining the age of 60 years. It is a voluntary and contributory pension scheme, wit age of 18 to 40 years. National	
Bamboo Mission	It is a Centrally Sponsored Scheme to supplement farm income with
	the development of complete value chain of bamboo sector and link
Launched:	growers with markets
October 2006	
	 Its Objectives are, To increase the area under bamboo plantation in non-forest Government and private lands. To improve post-harvest management through establishment of innovative primary processing units and market infrastructure. To promote product development by assisting R&D, entrepreneurship & business models at MSME level.
	 To rejuvenate the underdeveloped bamboo industry in India. To promote skill development, capacity building, awareness generation for development of bamboo sector. To realign efforts to reduce dependency on import of bamboo and bamboo products by improved productivity.
	 The Mission would adopt the following strategies, Development of bamboo in limited States where it has social, commercial and economical advantage Draduction of genetically superior planting material
	 Production of genetically superior planting material Adoption of end to end solution. Capacity building.
	 Set up National, State and sub-State level structures, to ensure adequate returns and eliminate middlemen
	For popularizing use of bamboo & bamboo-based products, seminars, conferences, awareness campaign at National, State & District Levels and through print and electronic media are organized under the restructured NBM.
Pradhan Mantri Annadata Aay Sanraks Han Abhiyan (PM-AASHA	PM-AASHA is a new umbrella scheme aimed at ensuring remunerative prices to the farmers for their produce.
Launched: September 12, 2018	The three components that are part of AASHA are: Price Support Scheme
	Price Deficiency Payment Scheme
	Pilot of Private Procurement and Stockist Scheme
	The other existing schemes of Department of Food and Public Distribution for procurement of paddy, wheat and nutri-cereals/coarse grains and of Ministry of Textile for cotton and jute will be continued for providing MSP to farmers for these crops.
	PSS - Under the PSS, physical procurement of pulses, oilseeds and copra will be done by Central Nodal Agencies. Besides, NAFED and Food Cooperation of India will also take up procurement of crops under PSS.
	The expenditure and losses due to procurement will be borne by the Centre.
	PDPS - Under the PDPS, the Centre proposes to cover all oilseeds for which MSP is notified. The difference between the MSP and actual selling/modal price will be directly paid into the farmer's bank account.
	armers who sell their crops in recognized mandis within the notified

	period can benefit from it.
	This scheme does not involve any physical procurement of crops as farmers are paid the difference between the MSP price and Sale/modal price on disposal in notified market.
	PPSS - In the case of oilseeds, States will have the option to roll out PPSSs in select districts.
	Under this, a private player can procure crops at MSP when market prices drop below MSP and whenever authorized by the state/UT
	government to enter the market. The private player will then be compensated through a service charge up to a maximum of 15% of the MSP.
Krishi Kalyan Abhiyan	
Launched: 31st July, 2018	It was launched to aid, assist and advice farmers on how to improve their farming techniques and raise their incomes.
	The Krishi Kalyan Abhiyaan will be undertaken in 25 Villages with more than 1000 population each in Aspirational Districts identified in consultation with Ministry of Rural Development as per directions of NITI Ayog.
	The overall coordination and implementation in the 25 villages of a district is being done by Krishi Vigyan Kendra of that district.
	Various activities to promote best practices and enhance agriculture income are being undertaken under this plan such as:
	 Distribution of Soil Health Cards to all farmers 100% coverage of bovine vaccination for Foot and Mouth Disease (FMD) in each village
	 100% coverage of Sheep and Goat for eradication of Peste des Petits Ruminants (PPR)
	 Distribution of Mini Kits of pulses and oilseeds to all Distribution of Horticulture/Agro Forestry/Bamboo plant @ 5 per family (location appropriate)
	Artificial insemination saturation
	Demonstration program on Micro- irrigation
National Mission for	National Mission for Sustainable Agriculture (NMSA) has been
Sustainable Agriculture (NMSA)	formulated for enhancing agricultural productivity especially in rainfed areas focusing on integrated farming, water use efficiency, soil health management and synergizing resource conservation.
Launched: 1st April 2014	
	NMSA will cater to key dimensions of 'Water use efficiency', 'Nutrient
	Management' and 'Livelihood diversification' through adoption of
	sustainable development pathway by progressively shifting to
	environmentally friendly technologies, adoption of energy efficient equipments, conservation of natural resources, integrated farming,
	etc.
	Schemes under NMSA 1. Rainfed Area Development (RAD): RAD is being implemented
	by RFS Division2. Soil Health Management (SHM): SHM is being implemented by INM Division
	 Sub Mission on Agro Forestry (SMAF): SMAF is being implemented by NRM Division
	 Paramparagat Krishi Vikas Yojana (PKVY): PKVY is being implemented by INM Division
	 Soil and Land Use Survey of India (SLUSI): Being implemented by RFS Division

	6. National Rainfed Area Authority (NRAA): Being implemented
	by RFS Division
	7. Mission Organic Value Chain Development in North Eastern
	Region (MOVCDNER): Being implemented by INM Division
	8. National Centre of Organic Farming (NCOF): Being
	implemented by INM Division
	 Central Fertilizer Quality Control and Training Institute (CFQC&TI): implemented by INM Division.
Kisan Vikas Patra	Objective:
Launched: 2014	To provide attractive returns to money invested.
	Target:
	To provide double the amount invested, after 8 years 4 months, with
	an interest of 8.7% per annum.
	The unique liquidity feature of Kisan Vikas Patras provides that an
	investor can, if he so desires, encash his certificates after the lock-in
	period of 2 years and 6 months and thereafter in any block of six months on pre-determined maturity value. The investment made in
	the certificate will double in 100 months.
Soil Health Card	Objective: Issue soil card to farmers to help them get good harvest by
Scheme	studying the quality of soil.
Launched: February,	Target:
2015	Issue soil cards to about 14 crore farmers spread across India.
	To help farmers to improve productivity from their farms by letting them know about nutrient/fertilizer requirements for their farms.
	Under the Soil Health Card Scheme, all soil samples are to be tested
	in various soil testing labs across the country. Thereafter the experts
	will analyse the strength and weaknesses (micro-nutrients deficiency)
	of the soil. It will also contain corrective measures that a farmer
	should adopt to obtain a better yield.

Interest Subvention Objective:		Objective:
Scheme (ISS)		
	Launched: 2006-2007	To make available at ground level, agricultural credit for Short Term
		crop loans at an affordable rate to give a boost to agricultural
productivity and production in the country.		productivity and production in the country.

	Target: NA
National Mission on	NMOOP is implemented under three Mini-Missions I, II and III.
Oilseeds and Oil Palm	Objective:
(NMOOP)	To enhance the cropping intensity of the area ensuring overall
Launched:	improvement of soil health, ensure effective management of insects
2014-2015	& pest and increase irrigation coverage of the crop.
	Target:
	The Mini Mission I, on oilseeds, aims at increasing production from
	28.93 million tonnes during 11th Plan to 35.51 million tonnes in 12th
	Plan. The productivity will rise from 1081 kg/ha during the 11th Plan
	period to 1328 kg/ha of oilseeds during 12th Plan period.
1.000	Mini Mission II, on oil palm, aims at bringing additional 1.25 lakh
	hectare area under oil palm cultivation through area expansion.
	Wastelands will also be utilized for this purpose. The mini mission
	seeks to increase productivity of fresh fruit brunches from 4927 kg
	per ha to 15000 kg per ha.
1.1.1	Mini Mission III, on tree-borne oilseed (TBOs), aims at enhancing seed
	collection of TBOs from 9 lakh tonnes to 14 lakh tonnes.
National Horticulture	Objective:
Mission	To provide holistic growth of the horticulture sector through an area
Launched:	based regionally differentiated strategies which include research,
1st May, 2015	technology promotion, extension, post-harvest management,
	processing and marketing, in consonance with comparative advantage of each State/region and its diverse Agro-climatic feature.
	Target:
	To enhance horticulture production, improve nutritional security and
	income support to farm households
	To establish convergence and synergy among multiple on-going and
	plan programmes for horticulture development
	To promote, develop and disseminate technologies, through a
	seamless blend of traditional wisdom and modern scientific
	knowledge
	To create opportunities for employment generation for skilled and
	unskilled persons, especially unemployed youth.
Rashtriya Krishi Vikas	Rashtriya Krishi Vikas Yojana is a special Additional Central Assistance
Yojna	Scheme.
Launched:	Objective:
2007	To orient agricultural development strategies, to reaffirm its
	commitment to achieve 4 per cent annual growth in the agricultural
	sector during the 11th plan.
	Target:
	The RKVY covers all sectors such as Crop Cultivation, Horticulture,
	Animal Husbandry and Fisheries, Dairy Development, Agricultural
	Research and Education, Forestry and Wildlife, Plantation and
	Agricultural Marketing, Food Storage and Warehousing, Soil and
	Water Conservation, Agricultural Financial Institutions, other
	Agricultural Programmes and Cooperation.

Gramin Bhandaran	Objective:
Yojana / Rural Godown	To provide support to an individual, a company, a farmer, local
Scheme	government, NGOs and various associations, if they build or renovate rural godowns.
	Target:
	Government will provide 25% of the capital investment made in such
	a venture. If the Godown is built or renovated by a woman farmer,
	the government support is 33.33% of the total capital investment.
	This scheme is for creating scientific storage capacity in the rural areas
	for storing farm produce, thereby prevent distress sale of produce by
	the farmers after harvest, by promoting pledge financing and
	marketing credit. The godown can be constructed / located in any
	area outside the limits of a Municipal Corporation area. Rural
	godowns located in Food Parks promoted by Ministry of Food
	Processing Industries are also eligible.
Pradhan Mantri Fasal	Objective:
Bima Yojana	Supporting sustainable production in agriculture sector by
Launched: January,	providing financial support to farmers suffering crop
2016	loss/damage arising out of unforeseen events
-	Stabilizing the income of farmers to ensure their continuance
	in farming
	 Encouraging farmers to adopt innovative and modern
	agricultural practices
	 Ensuring flow of credit to the agriculture sector, which will contribute to food convity grap diversification and
	contribute to food security, crop diversification and enhancing growth and competitiveness of agriculture sector
	besides protecting farmers from production risks.
	Target:
	To reduce the premium burden on farmers and ensure early
	settlement of crop Insurance claim for the full insured sum.
	Provide insurance cover to Rabi and Kharif crops and financial support
	to farmers in case of damage of crops.
	To make crop insurance simpler and cheaper for the farmers.
Pradhan Mantri Gram	Irrigating the field of every farmer and improving water use efficiency
Sinchai Yojana	to provide 'Per Drop More Cr <mark>o</mark> p'.
(PMGSY)	Objective:
Launched: 2015-16	To ensure water supply to farmers round the year.
	The scheme is aimed to attract investments in irrigation system at
	field level, develop and expand cultivable land in the country,
	enhance ranch water use to minimize wastage of water, enhance crop
	per drop by implementing water-saving technologies and precision
	irrigation.
	Target: All the States and Union Territories including North Eastern States are
	covered under the programme.
	The government has approved Rs.50, 000 crore for the
	implementation of Pradhan Mantri Krishi Sinchai Yojana for next 5
	years, i.e. up to 2020.
	years, i.e. up to 2020.

Goliveboard

Pradhan Mantri Kisan	Objective:
Sampada Yojana	For agro-marine processing and development of agro-processing
Launched: August,	clusters.
2017	Target:
	To develop food-processing capabilities by working on the forward
	and backward linkage of agro processing cluster, which will benefit 20
	lakh farmers and create employment opportunities for about 5,
	00,000.
Revenue Insurance	Objective:
Scheme for Plantation	Protect growers from risks such as pest attacks, yield loss, and income
Crops (RISPC)	declined caused by fall in prices.
Launched: February,	Target:
2017	To implement on pilot basis for 2 years covering tea, coffee, rubber,
	cardamom, and tobacco in eight districts in West Bengal, Kerala,
	Karnataka, Andhra Pradesh, Assam, Sikkim, and Tamil Nadu by the
	commodity boards.
Samnada Sahama	
Sampada Scheme	Objective:
Launched:	To supplement agriculture, modernize processing, and decrease agri
May, 2017	waste.
	Target:
	To give a renewed thrust to the food processing sector in the country
	and create modern infrastructure with efficient supply chain
	management from farm gate to retail outlet.
Advanced Farming	Objective:
