# Toppers' Testimonials

“

## Kuldeep Singh Gehlot | SBI PO

I have been following Oliveboard since 2020. For Prelims, I took Mock Tests and analysed them. I joined their batch for Mains and got very good quality content. In the Interview Batch, I attended two mock interviews - 1 by external faculty and 1 by internal faculty. Their feedback really boosted my confidence and I was able to score 44 out of 50

“

## Roza | SBI PO

Oliveboard was the game-changer in my preparation. From building concepts to becoming a PRO at applying tricks, I learned everything. They've one of the most amazing faculties that I have ever come across. They are humble, sweet and know their way around concepts. They motivate you to keep going, even if you fail several times they are always there to help you start from the beginning.

“

## Akshay S Kumar | IBPS PO

While studying online, I saw a lot of materials on Oliveboard and later I understood that it was the best material I could get for my preparation. For mock tests, I have heavily relied on Oliveboard. Oliveboard telegram group also helped me a lot to improve my concepts.

Thanks a lot Oliveboard!

“

## Zeba Farheen | IBPS SO (IT)

I would like to thank the whole Oliveboard team (including Aditya sir, Harshita Mam, Nikita Mam) for my success. I owe my success to you. The best thing about Oliveboard is that their User Interface & Mock Tests are very similar to the actual Examination. I found it one of the best sources for practicing and supportive faculties as well.

“

## Himanshu Garg | RBI Assistant

Oliveboard helped me a lot in this journey. Its mock test quality is highly reliable. The level of questions prepared by them for the prelims and mains is at par with the real exam. Especially, its Puzzle Mania and Data Interpretation books helped me a lot to get a stronghold in these two sections.
