# Shekhar's Transformative Experience of 1:1 Mentorship Program

## On AIR-1's Guidance

"AIR-1, Anil Sir was the guiding light behind my preparation. Whatever I did was based on his recommendation. First & foremost, he gave me the clarity on how to approach Phase I & what to change for Phase II. Specifically, his tips on current affairs (the 4-pillar approach) & descriptive writing were immensely helpful as these were the areas where I was lacking the most."

## On Note Making

"I had different notebooks for different subjects such as Schemes, Reports, Finance & Management. I made notes topic-wise & kept some space empty. I used to add whatever I found related to that topic in current affairs in that empty space for holistic coverage. I also used to make mindmaps which helped me revise effectively."

## On Descriptive Writing

"Anil sir told me to map newspaper articles to syllabus & then write a summary/precis of that article in my own words. I followed it completely & it helped me to improve both the content & delivery of my answers. I also gave reference to these articles in my actual answers to gain competitive advantage."

## On Mock Tests

"Oliveboard's live mock tests were very important as it helped me understand the level of my preparation on an all-India level & not get isolated. Other than that, I also attempted sectional tests, full length mock tests & descriptive tests which ultimately helped me to ace this exam."

Your YouTube videos, especially the explainers and the MCQ series on reports, budgets, & economic surveys, provided me with great practice. I also extracted key content from those explainer videos to include in my notes. I also appeared for mock tests which helped me immensely.

I want to thank Oliveboard for being a part of this journey because their online videos on Youtube such as Current Affairs, Descriptive Writing, Revision Series, etc helped a lot. Also, they provide great quality mock tests. The guidance program for the interview & the mentorship program they provide, it helped me throughout my preparatory journey. Kudos to the entire team.

Oliveboard's mock tests, both for Phase 1 and Phase 2 are comprehensive and contain relevant questions. It helped me approach questions in a calm manner during the examination, which enabled me to clear Phase 1. Sectional tests for Phase 2 were also well-curated. It enabled me to revise important topics in a much more efficient manner.

”

“

**Aneesh J.**  
AIR-4, RBI Gr. B

“Oliveboard notes were concise and to the point for the most part. These notes helped me stay within the scope of the exam and are more than enough for finance and management preparation. ESI static syllabus is covered very extensively in Oliveboard notes which provided me with a solid base for extra reading and provided sufficient material for phase 2 descriptive answers.”
