

What should be my strategy for SSC CGL in 90 days?

In 90 days, your focus must be concept clarity (first 30 days), exam-level practice (next 30 days), and mock + revision dominance (last 30 days)—not random syllabus completion to clear [SSC CGL Exam 2026](#).

How should I study for SSC CGL in the first 30 days?

The first 30 days are only for **building strong basics**, fixing weak topics, and creating notes you'll revise later.

Subject	What to Study?	Daily Time	Exact Focus
Quant	Arithmetic (% , Ratio, Average, SI-CI, Time & Work)	2 hrs	Formula clarity + 30 questions/day
Reasoning	Coding, Analogy, Series, Blood Relation	1.5 hrs	Accuracy over speed
English	Grammar rules + Vocabulary	1.5 hrs	Error spotting, Fill blanks
GK	Static + Daily Current Affairs	1 hr	Notes only, no mugging
Practice	Mixed PYQs	1 hr	SSC-level questions only

Target by Day 30:

All arithmetic concepts done
Grammar rules revised twice
GK notes ready for revision

What should I do between Day 31 to Day 60 for SSC CGL?

These 30 days are for **speed + application**, where you convert concepts into exam-ready performance.

Subject	What to Study?	Daily Time	Exact Focus
Quant	Algebra, Geometry, Mensuration	2 hrs	PYQs + timed practice
Reasoning	Puzzles, Seating, Syllogism	1.5 hrs	Time-bound solving
English	Reading + Previous Year Sets	1.5 hrs	90% accuracy goal

Subject	What to Study?	Daily Time	Exact Focus
GK	Revise + Link current affairs	1 hr	SSC-specific facts
Mock Test	Sectional Tests	1 hr	Analyse same day

Target by Day 60:

- All Tier-1 syllabus completed
- Sectional accuracy above 80%
- Weak areas clearly identified

How should I prepare in the last 30 days before SSC CGL exam?

The last 30 days are only about **full mocks, revision, and fixing silly mistakes**—no new topics.

Task	Frequency	Exact Rule
Full Mock Tests	1 mock every 2 days	Analyse more than attempt
Quant Revision	Daily	Formula + weak chapters
English Revision	Daily	Error-based questions
Reasoning	Alternate days	Speed drills
GK	Daily	Revise notes only
Mistake Notebook	Daily	Re-solve wrong questions

Target by Day 90:

- Stable mock score
- Clear attempt strategy
- Zero panic before exam
